Best Friends is home to around 1,700 animals: cats and dogs, horses and pigs, birds and rabbits, on any given day. Here they receive love, medical care and, most important, the opportunity to find families of their own. For some, it’s the first time they’ve known kindness and companionship: for all, it’s a lifesaving second chance.

**HOW CAN YOU HELP**

- **Volunteer:** Whether it’s with Best Friends or an organization in your area, volunteer and be the voice for homeless pets.
- **Donate:** Contributions to Best Friends helps countless animals, both at the Sanctuary, and through outreach and rescue programs.
- **Adopt:** Find a new pal here or check out a rescue organization or shelter in your area.

For the animals comfort and privacy, we ask that you do not drive around the animal areas. Please visit the Welcome Center to arrange for a staff guide or to sign up to volunteer. Thanks!
